How Would Jesus Vote?

(Various Scriptures)

Michael Fen, Lead Pastor

How would Jesus Vote?

Sermon Follow-ups (for study, discussion, and life application)

- Read and reflect on the Scripture verses referenced in the message.
- What do these verses teach us about: a) the nature, ways, and will of God; b) what it means to worship God and follow Jesus in daily life?
- If they lived in our current cultural and political climate, do you think Jesus, the Apostle Paul, and other New Testament prophets would be more engaged and vocal about politics than they were in their time? Why or why not?
- In Bible times and now, what is God's will for His people in terms of our calling and mission in the world? And how does that calling/mission relate to political engagement? Is there a difference between how politically vocal and active individual Christians should be versus churches?
- For our church and for you personally, what are some key life and faith lessons in this passage (and the sermon)?

Global Mission Partners

Mike Miller - Reclaim

Mike Miller serves as the Director of Professional and Consulting Services for Reclaim (www.reclaimwithus.org) supporting, encouraging and equipping staff members as they live out the mission of Reclaim - "We help communities and individuals flourish by removing barriers to dignity".

Praise God for Mike's fruitful trip to Kazakhstan working alongside the Reclaim team. While there he spent time praying with the team members and encouraging them in their work. He made a strong connection with a local believer and led a one-day business seminar for six local farmers and business leaders, emphasizing the importance of planning from the parable of Matthew chapter 7. Please pray that God would continue to use and guide Mike in this vital Kingdom work. Thank you for your prayers and support.

Giving - The Why & How

Generosity & Faithfulness: Financial Giving

Financial giving to the work of God through the local church is a form of worship. The Bible teaches followers of Jesus to give regularly, proportionally, generously, joyfully, and sacrificially (2 Cor. 8:1-15; Luke 21:1-4). Your contributions support Christ-centered outreach projects and partnerships locally and around the world; ongoing church ministries, programs and events; administration, facility-related expenses, and staffing. We don't pass a plate, but if you want to give, you can contribute online at www.gfol.org, use the QR code here, text GIVE to 720-513-1722, or use the "Offering" box located inside the Worship Center doors. Thank you!

Communion / The Lord's Supper

Communion/The Lord's Supper

Here at Grace, we celebrate Communion every Sunday. Also known as the Lord's Supper, this ceremony was instituted by Jesus Christ to help his followers worship Him and honor the work He has done to save us from our sins and make us right with God. In the biblical book of 1 Corinthians 11:23-26, the Apostle/Missionary Paul said this:

... the Lord Jesus on the night when he was betrayed took bread, and when he had given thanks, he broke it and said, "This is my body, which is for you. Do this in remembrance of me." In the same way also he took the cup, after supper, saying, "This cup is the new covenant in my blood. Do this, as often as you drink it, in remembrance of me." For as often as you eat this bread and drink the cup, you proclaim the Lord's death until he comes.

The bread symbolizes the body of Jesus given for us. The wine symbolizes the blood of Jesus shed for us. If you have put your full trust in Jesus Christ as your Savior, Lord, King, and the Forgiver of your sins, and your heart is right toward God and his people (1 Corinthians 11:27-28), you are encouraged to serve yourself at one of the Communion tables during worship. Eat the bread and drink the wine to remember Jesus' death, give thanks, and declare your faith in Him. If you decide not to participate because you are not a believer in Christ or for some other reason, please know that we respect your choice.
