Global Mission Partners

Mike Miller - Reclaim

Mike Miller serves as the Director of Professional and Consulting Services for Reclaim (www.reclaimwithus.org) supporting, encouraging and equipping staff members as they live out the mission of Reclaim - "We help communities and individuals flourish by removing barriers to dignity".

Praise God for Mike's fruitful trip to Kazakhstan working alongside the Reclaim team. While there he spent time praying with the team members and encouraging them in their work. He made a strong connection with a local believer and led a one-day business seminar for six local farmers and business leaders, emphasizing the importance of planning from the parable of Matthew chapter 7. Please pray that God would continue to use and guide Mike in this vital Kingdom work. Thank you for your prayers and support.

Giving - The Why & How

Generosity & Faithfulness: Financial Giving

Financial giving to the work of God through the local church is a form of worship. The Bible teaches followers of Jesus to give regularly, proportionally, generously, joyfully, and sacrificially (2 Cor. 8:1-15; Luke 21:1-4). Your contributions support Christ-centered outreach projects and partnerships locally and around the world; ongoing church ministries, programs and events; administration, facility-related expenses, and staffing. We don't pass a plate, but if you want to give, you can contribute online at www.gfol.org, use the QR code here, text GIVE to 720-513-1722, or use the "Offering" box located inside the Worship Center doors. Thank you!
